Leadership est

I wanted to recognize the partnership between SRP and Leadership West. Over more than a decade, our organizations have worked together to invest in leadership development in the West Valley, and the results have been truly inspiring.

Effective leadership is crucial for any community to thrive, and it's been wonderful to see the impact that Leadership West has had in developing leaders who are engaged, inspired, and civic-minded. Your support has been instrumental in making this possible, and we are so grateful for your commitment to this important work.

As we reflect on the past 30 years and look ahead to the future, we know that our work is far from over. There is still so much to be done, and we are committed to continuing to invest in leadership development and creating positive change in the West Valley. We would be honored if you would partner with us at the Gala to celebrate our achievements and help us look forward to the future. Your support has been instrumental in making our work possible, and we can't thank you enough for your partnership.

Join us at the elegant and breathtaking Chateaux Lux on April 12th,
for an evening of celebration.

Leadership West

Leadership West was formed in 1993 as an organization that connects West Valley leaders to one another, as well as to the top issues and events facing the region's cities of Avondale, Buckeye, El Mirage, Gila Bend, Glendale, Goodyear, Litchfield Park, Peoria, Phoenix, Sun City, Sun City West, Surprise, Tolleson, Wickenburg and Youngtown.

Leadership West knows that the people with the power to control and change communities are those who live and do business within them. That is why for nearly three decades, our nonprofit has developed exceptional West Valley leaders who are empowered to advance commerce and quality of life in the region. Our organization assists leaders who are willing to take on more prominent roles in their company, community and government, to guarantee that wise decisions will be made for the region.
